Schedule Notes:

- Sabbath Sept. 26 – Afternoon Torah Study – used to promote the idea that a TS is a good format for a beginning fellowship.
- Wednesday – Free Afternoon – Why not on Thursday? Because we need to have a group meal that evening so we can get the DH cleaned up afterwards.
- Friday - Hoshanna Rabba – Do the play along with a message. The play is only about 20 minutes long, so a short message to present the meaning of the day would be appropriate.
